

ArchiShorts Film Competition

2022 Call for Entries

What stories might buildings and landscapes tell?
How can short digital films help to show and tell them?

The Architecture + Design Film Festival (A+DFF) invites you to enter a short film competition. Make a two-minute film about architecture or the built environment for a chance to win great prizes and be featured in the only film festival in Canada that is dedicated to architecture and design. Registration for the competition is free and open to all.

Architecture is everywhere.
Get creative in showing how a place—any place—can tell a story.
